

Gender and Work:

The Historical and Cultural Roots of Discrimination
and the Development of Anti-Discrimination Law in
Europe and Italy

Friday 31th October 2025

Prof.ssa Elettra Stradella

Associate Professor of Comparative Public Law at
the University of Pisa, specializing in law and gender,
European law, and intersectional perspectives on
equality

*Initiative promoted and organized within the GEP (Gender Equality Plan)
of the European Laboratory of Non-Linear Spectroscopy (LENS)*

The seminar will examine the origins of gender discrimination and the structural asymmetry between the sexes that has shaped the very formation of legal systems, focusing on the various stages of building gender equality through combating discrimination and promoting substantive equality. Special attention will be given to equality in the workplace.
